## from the desk of MISS AUDREY

Another Dayton-area summertime tradition is just around the corner! Let me be the first to welcome you and your family to Camp Shalom K'tan. My name is Audrey MacKenzie, and I am the director of Early Childhood Care and Education at the Jewish Community Center of Greater Dayton.

amackenzie@jfgd.net  
 (937) 853-0373

Following in the footsteps of a camping tradition that has existed since the 1940s, we are offering eight weeks of summer camp for children ages 18 months-entering Kindergarten. I have had the pleasure of working with Dayton JCC families and children for the past 17 years and look forward to another fun-filled summer of discovery, growth, and community building. Whether joining us just for the summer, or continuing care, we welcome all to a camp experience designed with weekly themes encompassing learning activities, water activities, cooking, science, and more! Sessions are available in 2, 3, or 5 day options, along with half days and extended care to accommodate any schedule.

Summer camp is my second favorite thing here at Early Childhood, the children are first, of course! I have been very fortunate to work my passion for 30 plus years, since graduating from Northern Illinois University with a Bachelors' Degree in Early Childhood. After years in the for-profit childcare sector, I found my calling at the JCC. Just as I have found my home here, it is my hope that all of our families find a home with Camp Shalom K'tan and that we will become part of your family's summertime plans for years to come.
