

Dear Parents,

Purim fun continues! [Carnival day is this Monday, March. 9<sup>th</sup>](#)

Please bring or wear a comfortable costume and remember a change of clothing for the rest of the day!!

Children will be bringing home Shalach Manot baskets to share with their families. The [mitzvah](#) of giving shelach manot is meant to ensure that everyone has enough food for the Purim feast, and to increase love and friendship among neighbors.

We are changing our art board with the change of seasons and themes. Our daily sheet by the door is a great way to see what we do each day and an easy conversation starter with your child for the car ride home!

**Parent Teacher Conferences Friday, March 27<sup>th</sup> Please remember Early Childhood will be CLOSED on this day.**
