

# Anita Hochman-Agar

Hello my name is Anita Hochman-Agar. I am excited to be working with your child. I received my Master of Science in early childhood education in June 1999. I have over 11 years of working experience with young children ages 5 years and younger. I have worked in various preschool and daycare settings over the past 11 years. I treat every child under my care as if they were my very own.

It is my belief that children learn better with literature and music. I plan to bring this philosophy to the class and incorporate a lot of songs and story reading. It will be my Joy to help your child reach their life growing milestones and begin their educational journey. I look forward to getting to know your child.

Sincerely,  
Anita Hochman-Agar
