

# Audrey MacKenzie

Hi everyone, it's Miss Audrey, or as some of my staff like to call me "the princessable"! I have had the privilege and honor of being part of the Early Childhood Team at the JCC for the last 18 years! I graduated with a degree in Early Childhood in 1977 and have done the job that I love for all of these years! I feel I am one of the few people that truly has had the good fortune to work in a job that I am passionate about. People have always asked me, "how do you take the noise", and my response has always been noise to some is "music" to my ears!

I have two grown sons, one that is local, and one that is in Jacksonville, Florida. I am a proud grandma to Isabella, (Dayton), who is 9, Ellis (Florida) who is 8, Madelyn, (Dayton), who is 7 and Leroy (Florida) who is 5! I am missing my boys in Florida as we try to work around this Pandemic. When I had my children I always thought that you could never love anyone more than them, but my grandchildren have proven me wrong! I am also a dog mommy to Luci my exercise partner!

In my spare time, (which I have very little of), I enjoy reading, baking and vegging in front of the TV! I look forward each day to making your children smile, and they always do the same for me!
