

Chloe Henn

Hi my name is Chloe Henn. I've been at the JCC early childhood center for a year. I hope later on this year or next year to start college so I can become a teacher. I would like to teach the younger kids around the age of Pre-K or kindergarten. Since I've been working at the JCC it has helped me find out that I really would like to be a teacher and help kids learn and grow.

Fun things about me. I love art, painting is one of my favorite things to do. I also love Disney movies and anything about it. I also love learning about the stars and the astrology behind how they were created, as well as the constellations.
