

Cindy Turner

“Welcome.” I’m Cindy Turner formally the kindergarten after school lead teacher. Due to an extended time off (knee replacement) I am now back and moving from room to room helping out where needed. Since graduating with honors from Sinclair with a Degree in Early Childhood Education, I have been in the kid business for 31 wonderful years. I’ve worked through the years with children of all ages, toddlers to kindergarteners. I find that each age group has its own challenges and rewards and as long as I’m working with children, I’m happy! What ages do I like the best? All of them! I hope next school year will see me once again teaching the art, science, pottery, and woodworking classes. I also enjoy singing and reading to children, art, cooking, and spending time with my family. My favorite color is green and I try to teach children to love and respect nature. I grew up in the country and am now a resident of Beavercreek. I also have a husband of 41 years, two wonderful sons, one sixteen-year-old granddaughter, a five-year-old granddaughter, and another four-year-old granddaughter! Let’s not forget my dizzy dog Daisy. She loves to roll over all the time for food treats! She makes me laugh. So, when you see me around, stop and say “Hi”! Here’s to a different kind of school year!
