

## Connie Ford

Hello! My name is Connie Ford and I am the Early Childhood administrative assistant here at the JCC and I have a Bachelor's Degree in Accounting. Prior to working at the JCC I ran an in-home daycare for 21 years.

I was born and raised in Montana and I have lived in Italy, New Mexico, and now Ohio thanks to my husband of 26 years who is retired from the United States Air Force, but still works for the government. We have two grown children, Austin is 25, and Savannah is 23. We also have a large family of rescue animals, 4 dogs (Apollo, Cupcake, Brownie, and Cookie) and 6 cats (Shadow, Sapphire, Stormy, Smokey, Luke, and Bo)! When I am not working here at the JCC or taking care of my zoo of animals, I like to read, cook, play games, travel, and watch TV.
