

# Jennifer Alexander

Hi! My name is Jennifer Alexander. I am so glad to be back at the JCC, working with children after spending a year in Florida working in Early Childhood as well. I graduated from Germantown Christian School and have attended Free Gospel Bible Institute in Pennsylvania and Sinclair Community College.

Before working here at Early Childhood, I provided in-home care and assistance to seniors. I now get to spend my time helping the younger generation and am excited to be working with children. My interest includes foreign missions, kayaking, exercising, staying active, and quilting.
