

Josie Conley

Hi! I am Josie. I studied Early Childhood Education at Sinclair Community College. I did my student teaching here in the summer of 2007. I fell in love with the program, the culture, and the school.

I have a 15 year old daughter that is the light of my life. I am also a Latin percussionist and drummer. As well as an actress at a local theater downtown. I love being surrounded by friends and family, finding joy in every moment is something I strive for. Thank you for the honor of being a part of your child's life.
