

## Marijke Godsey

Hi! My name is Marijke Godsey, you can find me in the Mitzvah room! Although I am new to the JCC, I am so excited to be working with your precious babies! I graduated from East Tennessee State University with my Bachelor's in Child and Family Studies, and I am currently working on a dual master's program in School Counseling and Clinical Mental Health Counseling. Prior to stepping away from the workforce to start a family, I worked as a certified substance abuse counselor and a house manger for a boys group home. While taking an almost 16-year workforce hiatus, I was fortunate enough to have two children, a son who will soon be 16 and a daughter, who will soon be 12! In addition to raising a family, over the past 5 years I have been a substitute teacher in both the multi handicapped and preschool classrooms within the Miamisburg City School District. I have also continued to work with kids through active volunteer work within the community and schools, from being Assistant Director of the Miamisburg Youth Wrestling Program to the Booster Treasurer, team mom for various sports, classroom mom, and now my current position of community involvement coordinator for Legacy Xtreme Allstar Cheer. When I am not toting my kids around town to their various sports activities or doing homework, you can find me walking along some of the beautiful trails in Miamisburg, as I love being outside! It's important to know that all kids learn differently and I look forward to helping your child develop their physical, emotional, social, and cognitive skills through exploration inside and outside of the classroom!
