

Theme: Germ - Germs - Germs

Week of: May 3-7, 2021

Calendar

- Focus on number sequence
- Putting numbers on in a pattern(a different one each month)
- We make predictions (*What the pattern will be tomorrow*)
- Days of the week sequencing and identification
- Month identification/Discussion of seasons
- We complete the sentence "Today is _____, yesterday was _____ tomorrow will be _____."

Journaling

- Focus name writing: Starting with first name and those who are ready first and last names
- Starting with a name card to trace with finger (glitter glue) while saying letter names
- Using visual support of seeing the name card while writing it
- Moving to writing name independently.

Daily Message

- Letters to Identify: Aa Ss Tt Mm Hh Pp Ww Kk Dd Ii
- A daily group reading experience for exposure to the written word in somewhat of a predictable pattern:
- Greeting - date - 3 sentences about our day
- This is a great opportunity to focus on letter recognition
- We will take turns circling a specific letter in the message and discuss things like punctuation
