

Dekota Williams

While not working at JCC, I also major in psychology at Wright State University and have a second job at Kroger. (My favorite job is this one. Don't tell my other boss;)

I am currently working on my degree to be a child therapist and I hope that being a teacher can help me reach that goal! There's never a dull moment with kids and that's why I love doing what I do.

One of my passions is theatre and acting, love being the star of a show! Speaking of star, my zodiac sign is a Leo.
