**Monday-** The camper's started their 7th week of camp with a great day for playing in the water! This week is “Wild n Wacky” so we are doing some wacky things! This morning we made a cool snack, the children spread blue icing on a graham cracker sprinkled sand (crushed graham crackers) and fish (whale crackers, fish sprinkles) on the cracker, WOW! we made a beach scene we can eat. In the afternoon the campers practiced their song they will perform on Wednesday while Connie records it, one of our wacky activities we are doing!

**Tuesday-** The kids had a great time of splashing, enjoying a pool full of toys and running through the sprinkler and watching our “sun smores” to see if the sun melts the chocolate and marshmallow. The kids made a guess of what would happen, and they were right the chocolate melted into a yummy gooey treat! Practiced our song today for our big rock video, we are all so excited!!

**Wednesday-** Field trip day and our “We Will Rock You” performance! We had a great day enjoying our field trip walking in and around the creek, we found a lot of snails, a few kids caught a glimpse of a water snake, we spotted a leech crawling in the grass, and no one fell in the water yea!! The kids were great singing and playing for the video we have kids that just love to perform! Hope you enjoy watching your children rock out to the song!!

**Thursday-** Today we made “Wild and Wacky” juice, yum! It is made with mixing fruit punch, a little amount of fizzy lemon lime water and lots of rainbow sherbet to make it extra fizzy! To make it wacky we are adding strawberries and marshmallows, the campers loved helping pour or spoon the ingredients into the bowl, everyone cut strawberries to add to our punch! All of the kids gave a thumbs up!

**Friday-** Happy Shabbat!! Happy Friday! We started our day with a Shabbat sing along with Miss Mary. We enjoyed our challah, our friends and water play this morning. Have a Happy weekend! Looking forward to seeing you on Monday!
