

Greetings to my families!

It is so great to be putting together a near normal calendar! Depending on the Covid climate we will be adding some things to the calendar as we go thru the year, or could be eliminating activities. We will be going back to our traditional seven classrooms, still trying to maintain lower numbers but having some mixed age groups. Please be patient with us as we navigate this new school year.

We are happy to be returning to a 7:30-5:30 schedule beginning August 16th! We will start the school year with drop off still being the same as it has been this past year; parents pulling up getting their children out of the vehicles and bringing them to us to be assessed. We will let you know when we decide to change this and go back to you parking in the parking lot and walking your children into the building. At the end of the day, our families will park in the parking lot, come into the building and pick their children up from their respective classrooms. Please remember that the building closes at 5:30 daily.

As I said in the beginning of this letter everything is dependent on the Covid climate and working to keep your children and our staff healthy. As always thank you for your support as we once again move into a new school year!

Stay well,
Audrey
