

Mishpacha Cheder, Week of October 11th, 2021

Books: Stories written by Martin Waddell plus fall stories

early
childhood
care & education

CONCEPTS & VOCABULARY: I will be on vacation this week. This week's lesson plan is just a guide for the teachers that will be working with the children. Some of these plans may vary. Introduce shape stencils, continue drawing lines, cutting on lines, and tracing lines. I will continue our author study. We will be reading books by Martin Waddell. We will pick back up on "the science of color" and begin fall colors. We will have Lego and Play-Doh every week. I will continue skill building and evaluating the children thru October.
