

Greetings!

My name is Alicia Goldenberg, and I am thrilled to be joining the Early Childhood team at the Jewish Community Center!

I am originally from Boston, MA and worked in healthcare at Boston Children's Hospital for six years. During my time at BCH, I realized I wanted to have a greater impact on children, which led me to education. I earned my master's in teaching from Simmons University and decided to embark on my teaching career in Denver, CO where I also met my husband, Ted.

We decided to move closer to family and returned to Dayton about six years ago. We have a curious 16-month-old son, William, who started at the JCC in the infant room when he was 5 months old and is now in the Shabbat Nerot class, and adorable labradoodle, Nigel. Life is a bit crazy at our house, but we are always having a blast and wouldn't have it any other way!

Over the last six years, I have been a middle school math teacher and head varsity girls lacrosse coach at The Miami Valley School. The time I spent at MVS has been invaluable and I fortified many lifelong friendships with the students, parents, and staff. I am sad to be leaving but excited for this next chapter in my life.

I look forward to getting to know all of you and your families!

Cheers,

*Alicia Kutner Goldenberg*
